Training that reaches beyond the classroom

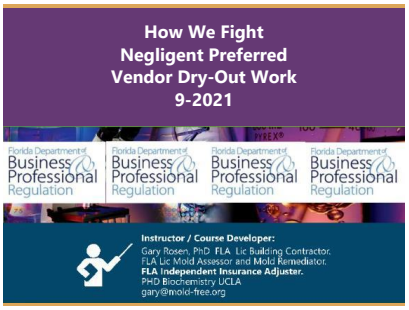

NAERMC mold training & exam provider

NAERMC, with exam/training developer Gary Rosen, Ph.D., was deemed a "nationally recognized organization" under Florida Rule 61-31.102(2), as described in the supplied résumé.

For Section 468.8414, F.S., that term identifies an organization nationally recognized in mold assessment or remediation that certifies persons under standards approved by the Department as substantially equivalent to Chapter 468, Part XVI, F.S.
